December 22, 2017

Dear REACH Leadership STEAM Academy Parents:

ECOLA company will be on site December 27th to treat the entire facility. Our applicators were selected because they are eco friendly, have the most appropriated pesticide(s), and guarantee that their product is eco friendly and safe for our students. The job is being scheduled on the weekend to allow more than enough time for the products to dry before the building is inhabited by students, teachers, and staff.

The name of the company is:

ECOLA

Termite & Pest Management

Voted "Best" Green Exterminator
